Subject: RE: Shaun's Dewy Burdock Tour next week - write-up for RA Meeting with President Steele of OST & updated write-up for DB site visit

I just spoke with Greg Phillips who is arranging the meeting with OST. Plans are not solid yet so there is no designated location at this time, but here is the bullet:

On June 11, 2015, Region 8 Administrator McGrath is scheduled to meet with President John Yellowbird Steele, or another representative of the Oglala Sioux Tribe, to hear about the Sioux Tribes' history in the Black Hills including the sacred sites and spiritual associations within the area. Closed Press, XXX, SD.

Here is better wording for the bullet I sent yesterday for the Dewey-Burdock site visit:

On June 11, 2015, Region 8 Administrator McGrath is scheduled to attend a site tour of the Dewey Burdock Project. He will meet with John Mays, the Chief Operating Officer of Powertech (USA) Inc. and Mark Hollenbeck, the Dewey-Burdock Project Officer for Powertech (USA) Inc. in order to gain additional information about the site. Closed Press, Edgemont, SD.

Subject: Shaun's Dewy Burdock Tour next week

Hi all,
I compile and send in the Region 8 submissions for the Administrator's Weekly Report and one item on there is "Principal Schedules" where we report travel/meetings, etc. for the RA for the next week and also for the next 30-60 days.

Could you help me fill in the blanks on these two?

On June 11, 2015, Region 8 Administrator McGrath is scheduled to attend a site tour of the Dewey Burdock Project WITH.... TO DISCUSS.... Closed Press, Edgemont, SD. Darcy

On June 11, 2015, Region 8 Administrator McGrath is scheduled to meet with President John Yellowbird Steele of the Oglala Sioux Tribe TO DISCUSS.... Closed Press, XXX, SD. Valois

If you could let me know by COB today, that would be great. I'm supposed to send the reports in by 5pm eastern, but obviously we aren't going to make that deadline!

Thanks!

Rebecca
